- 301 A BMW 3 Series Saloon 318i Exclusive Edition four-door motor car, finished in smart metallic black with pale beige leather upholstery and alloy wheels. A four cylinder 1,995 cc petrol-engined, six-speed manual gearbox motor car. Showing 71,744 miles (Not warranted correct, but looks plausible from MOT history at DVLA). Registration No: LO61 EVW, first registered on 23/12/2011. Currently SORN'd, MOT expires on 23/04/2027. The V5C is present. Fitted with a "BMW Professional" Radio/C.D. player, four electric windows, electrically-adjusted mirrors, etc., Started immediately and drove normally around the sale-yard at the time of lotting. A solid feeling nugget of a motor car in an attractive paint-work and leather trim combination. NOTE: The DVLA vehicle MOT history website indicates that this vehicle is subject to a safety recall by BMW to carry out certain remedial works, apparently at no cost to the owner. It is possible that this work may already have been undertaken, but this fact should be checked with the manufacturers' dealership. An attractive vehicle with 10 months' MOT.
- ****As with all motor vehicles sold through our auctions, this vehicle is sold in its current condition and all vehicles should be inspected in person prior to bidding. N.B. BUYERS PREMIUM ON THIS LOT WILL BE 10% + V.A.T. (Total Premium 12%, plus any specific on-line bidding fees).
- 302 A 2024 Kia Picanto GT-Line S Automatic, five-door Hatchback motor car, 1,197 cc four-cylinder petrol engined car with automatic gearbox. Finished in very striking metallic blue. First Registered on 09/12/2024, Registration No: CV74 VKR. A high specification compact motor car, showing just an astonishing low 227 Miles. Sadly for sale to close the estate of a local lady, who had, obviously, barely used the car. Fitted with a steering-wheel mounted wireless disability driving aid, which is very easily removable. The vehicle's first MOT test will be due on the 8th Devenber 2027. The nearest to new, lowest mileage motor car that we have ever had the honour of selling through our auctions. As would be expected, she started immediately, drove and stopped normally during cataloguing and the air-conditioning proved extremely refreshing during the recent, oppressive, Sahara like heat. ****As with all motor vehicles sold through our auctions, this vehicle is sold in its current condition and all vehicles should be inspected in person prior to bidding. N.B. BUYERS PREMIUM ON THIS LOT WILL BE 10% + V.A.T. (Total Premium 12%, plus any specific on-line bidding fees).
